## T-MOBILE ACCEPTABLE USE POLICY

The Services are made available provided that you also comply with the following Conditions, which are a fundamental part of this Agreement between you and the Wissahickon Valley Public Library (WVPL).  
The Services are not used for anything unlawful, immoral, or improper;

The Services are not used to make offensive or nuisance communications in any form, or to make or receive reverse charge calls;

The Services are only used with Equipment approved for use with the T-Mobile Network and all relevant laws and rules are followed;

The Services are not used to send, receive, upload, download, or otherwise facilitate any material which is offensive, indecent, defamatory, of a menacing nature, a nuisance, a breach of privacy, an infringement of copyright or any other intellectual property right, or otherwise unlawful;

The Services are not used to access or use Content in a way that infringes the rights of others;

The Services are not used otherwise than in accordance with WVPL's and any other networks' policies for acceptable use, and (if appropriate) any relevant internet standards;

All reasonable instructions we give you are followed;

You comply with any fair use policy applicable to your use of the Services and if you are in breach of that policy you comply with any reasonable instructions that we issue to you to enable you to remedy that breach and to continue to use the Services;

You must not operate, whether directly or through a third party, any device to route or re-route voice, data, or other Services on, from, or to the T-Mobile Network, including but not limited to:

- (I) A GSM gateway commonly known as a SIM box;

You must not sell or attempt to sell or otherwise provide commercial services using our Network to any third party without our express written consent;

Any information you give to us, on which we may rely in making decisions concerning the provision of Services under this Agreement, must be true at the time you give it;

You must not access any Age Restricted Services unless you are older than the required age. If you are allowed to access Age Restricted Services, you must not show or send content from Age Restricted Services to anyone younger than the specified age. If you let anyone under the specified age use your Equipment, you must deactivate access to Age Restricted Services.

*Any failure to comply with any of the points above will entitle us to suspend or disconnect the SIM Card from the T-Mobile Network.*
